HOTEL AND SPA RESORT

*Your Investment Opportunity*

The Government of the Republic of Trinidad and Tobago presents an exciting property investment opportunity in Trinidad and Tobago's burgeoning hospitality industry.

We seek to engage an investor/operator for the ***Vanguard Hotel and Spa Resort*** - a 4 star, 200-room luxury resort hotel on a 20-acre oceanfront property located on the island of Tobago. Tobago is a well established tourist destination in the southern Caribbean, supported by over six (6) main international air carriers.
